

Diamond Crystal® Bright & Soft® and Iron Fighter® Salt Blocks

Virtually 100% water soluble and made with up to 99.8% pure salt, these blocks are specially formulated to resist mushing and bridging in the brine tank— helping to keep your softener clean and trouble-free.

The Iron Fighter® formula salt block also contains a highly effective rust remover which helps to prevent rust stains on laundry and household fixtures.

Recommended for use in most water softeners, as directed by manufacturer.
