

PRO'S PICK®

Red•Out® Dura-Cube® Salt

Highest Purity Softener Salt with Iron-Fighter® Formula

Pro's Pick® Red•Out® Dura-Cube®

Our premium purity water softener salt contains up to 99.8% pure salt. Formulated for use where iron content in water is high, it contains an effective additive that helps prevent rust stains. Virtually 100% water soluble, it also minimizes buildup in your brine tank to keep your water softening unit running smoothly. Now, our patented 2-handle, 40 lb. bag® makes lifting and carrying easier than ever. It's also made with 50% recycled material!

Offered exclusively to dealers, this product is NSF-certified to ensure premium quality. It is recommended for all types of softeners, particularly in regions of high-iron water content. Available in limited areas.
